**AGENCY DESCRIPTION** — The Public Safety Personnel Retirement System (PSPRS) provides retirement, survivors, health, and disability benefits to public employees who work in a public safety capacity, such as law enforcement officials and firefighters. In addition, PSPRS staff administers the Correctional Officers Retirement Plan (CORP) and the Elected Officials Retirement Plan (EORP), which provide the same benefits to specified populations at the state and local level. PSPRS is not subject to appropriation. The EORP was closed to new enrollees as of January 1, 2014, at which time newly-elected officials are to be enrolled in the Elected Officials Defined Contribution Retirement System (EODC System).

### FOOTNOTES

- <sup>1/</sup> This appropriation is a continuing appropriation and is exempt from the provisions of A.R.S. § 35-190, relating to lapsing of appropriations.
- <sup>2/</sup> The FY 2020 General Appropriation Act appropriated \$1,000,000 from the state General Fund in each of FY 2020, FY 2021, FY 2022, FY 2023, FY 2024, FY 2025 and FY 2026 to the Public Safety Personnel Retirement System to be deposited in the employer account of the Prescott Fire Department Group to offset increased pension liability.

### **EORP Fund Deposit (Statutory Appropriation)**

The Baseline includes \$5,000,000 from the General Fund in FY 2024 as part of the closure of the Elected Officials' Retirement Plan (EORP). This amount is unchanged from FY 2023. (See the FY 2017 Appropriations Report and the

Consolidated Retirement Report section in the FY 2020 Appropriations Report for more information.)

The annual \$5,000,000 General Fund appropriation is authorized in permanent law through FY 2043 (A.R.S. § 38-810). As a result, monies in the line item will not be included in the General Appropriation Act.

**EORP Fund Deposit (Laws 2022, Chapter 323)**

The Baseline includes no funding from the General Fund in FY 2024 for deposit into the EORP Fund (under Laws 2022, Chapter 323). Adjustments are as follows:

**Remove One-Time Funding for EORP Early Retirement**

The Baseline includes a decrease of \$(60,000,000) from the General Fund in FY 2024 to remove one-time funding for deposit into the EORP Fund. Laws 2022, Chapter 323 appropriated \$60,000,000 from the General Fund in FY 2023 for deposit into the EORP Fund. This amount is intended to offset the increased actuarial liability from the early retirement benefit.

Chapter 323 makes a temporary exception to standard EORP provisions to allow a member to receive a normal retirement pension if they have either: 1) 55 years of age with 10 years of credited service; or 2) 59.5 years of age with 5 years of credited service. To qualify for this benefit, the member must make an irrevocable notice of resignation by July 29, 2022, with a date of resignation and retirement not later than September 30, 2022. PSPRS has reported that 3 EORP members utilized the early retirement provisions of Chapter 323.

**Prescott Fire Employer Group Deposit**

The Baseline includes \$1,000,000 from the General Fund in FY 2024 for deposit into the employer account of the

Prescott Fire Department group. This amount is unchanged from FY 2023.

The FY 2020 budget appropriated \$1,000,000 from the General Fund for deposit into the employer account of the Prescott Fire Department each year from FY 2020 through FY 2026 to offset increased pension liabilities associated with the Yarnell Hill Fire. Because these funds were already appropriated in the FY 2020 budget, monies in the line item will not be included in the General Appropriation Act.

In June 2013, 19 firefighters employed by the Prescott Fire Department died in the line of duty while fighting the Yarnell Hill Fire. The survivors of 10 firefighters ultimately qualified for PSPRS benefits. Their survivors qualify for ongoing payments equal to 100% of the employees' average monthly wages, including overtime. The increased liability resulting from these benefit payments is funded from the PSPRS employer account of the Prescott Fire Department through an increase in employer contribution rates. The funding in the FY 2015, FY 2019, and FY 2020 budgets were intended to offset these increased pension liabilities.

The original estimated liability resulting from the Yarnell Hill fire was \$5,200,000. As of June 2022, PSPRS re-estimated this liability to be \$11,431,000.

*See the Consolidated Retirement Report section for more information on PSPRS membership and actuarial data.*
